INTERVIEW SUMMARY

The undersigned representative thanks the Examiner for the courtesy of the telephone conversation conducted on approximately November 21, 2005, and the telephone conversation conducted on December 8, 2005. During those conversations, the Examiner indicated that the Patent Office was reversing its position with regard to the allowability claims 97-111, even though the Patent Office does not have a specific rejection for these claims at this time. In order to move the case to allowance, Applicant elected to cancel claims 97-111 at this time; however, Applicant does not concede the unpatentability of these claims.

Respectfully submitted,
